

**LEGAL NOTICE**

**STATE OF LOUISIANA, OFFICE OF CONSERVATION, BATON ROUGE, LOUISIANA.**

In accordance with the laws of the State of Louisiana, and with particular reference to the provisions of Title 30 of Louisiana Revised Statutes of 1950, a public hearing will be held in the Hearing Room, 1<sup>st</sup> Floor, LaSalle Building, 617 North 3<sup>rd</sup> Street, Baton Rouge, Louisiana, at 9:00 a.m. on **TUESDAY, MAY 5, 2009**, upon the application of **AXIS ONSHORE, LP**.

At such hearing the Commissioner of Conservation will consider evidence relative to the issuance of Orders pertaining to the following matters relating to the **3,200' Frio Sand**, in the Point Breeze Field, Concordia Parish, Louisiana.

1. To approve a substitute unit well drilled at an exceptional location to the unit boundary for the production of oil and gas from the 3200 F RA SUC.
2. To name the Axis Onshore, LP-3200 F RA SUC; Hodges C ST No. 9 Well as the substitute unit well at the exceptional location shown on the plat submitted with the application.
3. To continue in force and effect the remaining provisions of the Office of Conservation Order No. 1397, et sec.
4. To consider such other matters as may be pertinent.

The 3,200' Frio Sand, Reservoir A was fully defined in Order No. 1397, effective December 6, 1994, and created the unit now known as the 3200 F RA SUC. Order No. 1397-A requires wells drilled to the 3,200' Frio Sand to be located 330 feet from unit lines and 600 feet between any other well completed in this zone. The location of the substitute unit well does not meet those requirements.

A plat is available for inspection in the Office of Conservation in **Baton Rouge** and **Monroe**, Louisiana.
